Dear web quotation user

Please read below remarks carefully and thoroughly.

General condition

1. This price includes aluminum window, part and glass only. It does not include VAT, installation fee, assembly and installation parts and transportation fee.
2. This product price is an estimated price. We reserve the right to price adjustment.
The price can be increased or decreased depends on actual product type, product size, transportation distance, construction site condition, product specification, required glass type etc.
3. The product color or detail on the web-page pictures may differ from the actual product.
4. You may get quotation for your desired product from this web-quotation but however, the installation is not guarantee as the requested installation site or position and condition of working site or specific requirement might be challenging for installation operation.
*Please consult with our dealer and perform site inspection before placing order.
5. TOSTEM product is available for order at TOSTEM authorized dealer only.

Terms

1. The price with the above detail can be used as a reference within 30 days from the quotation issue date.
2. The price includes standard operational parts and glass only.
3. This quotation can be used with properties in Thailand only.
4. LIXIL (Thailand) reserves the right to change the price and conditions as required without prior notice.
